Subject: **Resignation Notice**

Hello,

I am writing to formally resign from my position at Medimaze Solutions, with effect from today. I request you to kindly consider **15th August 2025** as my last working day.

As I am going for full-time higher studies, my pre-semester courses are starting from **20th August**. I need to plan my travel and arrangements accordingly and reach the college by **17th or 18th August**.

Kindly consider my request. Also, as discussed, I am ready to support over **weekends** to ensure a smooth knowledge transfer and handover during this short notice period.

Thank you for your understanding and support.
